

Robert England Productions

What Your Order Comes With

All orders will be mounted on acrylic, ready to hang on the wall, and will have mounting hardware (stand out mounting screws) included, except for orders for “Print Only”.

“Print Only” orders will be just that, only the print.

Return/Repair Policy

All sales are final.

With that being said, if the print/size you ordered does not fit the space that you want it to, arrangements can be made to create a replacement piece. Cost of return of the original and the manufacture of the replacement piece will be handled on a case-by-case basis.

I want my prints/products to fit in your space as best as they can.

If a print is damaged during shipment, please inform me via email and I will gather information as to how it was damaged and will prepare a replacement for the damaged piece.

Feel free to contact me with any questions.

Cheers,

Robert England
